STO PLANNING & SCHEDULING SUBSCRIPTION SERVICE PLAN

At Progressive Plan Inc. (PPI), we aim to make executing your STO events as straightforward and simple as possible.

PPI recognizes that inadequate or poor STO management can negatively impact your company's profits. To help mitigate risks to your bottom line, we provide STO Planning and Scheduling Services on a subscription basis.

Subscription Service Plan features:

On-Demand Access to highly skilled Technical Staff

- Master Scheduling Specialists – DSM or Static
- Technical Planners & Event Coordinators
- Project Controls Specialists
- Other Certified Professionals

Cutting Edge Planning & Scheduling Technology

Dynamic scheduling solutions to remotely support clients with STO planning, and live simulation interfaces anywhere on the globe.

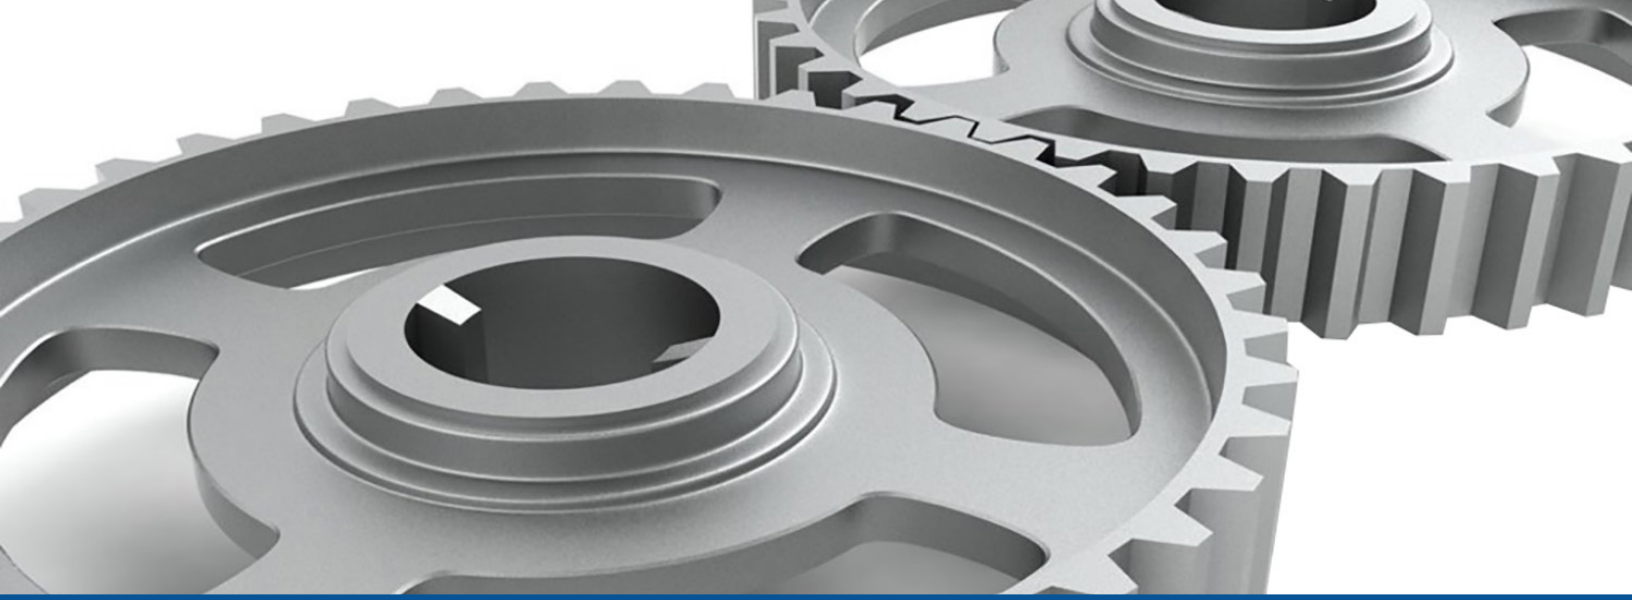

Delay Mitigation Proactive Pre-Planning

- Prevent Scheduling Delays and Cost Overruns
- Improve Wrench Time

STO Support Services Partner / Supplier Option

- Gain a Competitive Edge
- Include us as a Partner / Supplier in your RFP or Bids

To inquire about this service or to discover the advantage of including PPI in your RFP or bid submissions, get in touch with us today.

**OUR TEAM OF STO SPECIALISTS ARE AVAILABLE ON DEMAND.
HAVE THE SPECIALISTS YOU NEED, WHEN YOU NEED THEM.**

**PPI Specializes in the following
Planning Disciplines:**

- Insulation
- Scaffolding
- Metals
- Vessel Inspection & Repair
- Asbestos
- Electrical
